Mr. Clipp of the Roberts and Mander Stove Company was present with reference to widening Jacksonville Road. He stated his Company would be willing to give sufficient ground to widen the road in front of their property. The matter was discussed at length and referred to the Street Committee and Borough Engineer with power to have necessary plan prepared.

PROPERTY COMMITTEE - Mr. Schaffer made no report.

STREET COMMITTEE - Mr. Bates reported that some of the streets had been patched and Old York Road cleaned.

The matter of repairing County Line, Manor Road, Lehman Avenue and Mill Road with cinders was left in the hands of the Street Committee.

Mr. Muldrew was asked to purchase a city inlet to be placed in the curb on Montgomery Avenue in front of the E. J. Amber property.

The Secretary reported that he had not as yet discussed with Mr. High the matter of the Smith drainage question.

It was reported that signs had been placed on Old York Road along the School Zone and also a sign placed designating Pennypack Creek.

The Secretary was requested to write the P. R. T. Company and give them fifteen days to finish the work on their tracks on the Old York Road in as much as they had only partly completed it.

Mr. Muldrew reported he had informed the Pennsylvania Department of Forests and Water with reference to the drainage proposition through the McIlhatten property. It was requested he correspond further with Harrisburg and then report to Borough Secretary so that the matter could be taken up further with Borough Solicitor High.

Mr. Muldrew presented a plan of East Moreland Avenue making the street wider at two points. Council considered it a good proposition and the Secretary was directed to forward the plan to Borough Solicitor High requesting that he prepare the necessary Ordinance.

Ordinance No. 124 authorizing the levying and collection of a tax of ten mills and a fire tax of three mills was passed on first, second and third reading and ordered printed in the local paper.

Mr. Muldrew also presented an Ordinance requiring the owners of real estate in Hatboro to curb and pave abutting sidewalks and thereafter maintain the same, and stipulating what materials shall be used for curb and pavement. The Ordinance was read carefully and discussed and on motion passed on first, second and third read with the understanding that it should be submitted by our Secretary to Samuel H. High Esq. for his approval.

In the matter of the Building Code it was reported that Mr. Heiss had been working on it for nearly a month and would have it ready by our next Council meeting.

The question of permitting any additional pumps at filling stations on the curb was discussed and Mr. Muldrew was asked if this could not be included in the Building Code when issued.

The question of prohibiting fire works in the Borough of Hatboro on the Fourth of July was discussed, but no action taken.

Letter was received from Charles Crouthamel with reference to the changing of the names of Fulmor and Bonair Stations to South and North Hatboro. While Council thought this might be good advertising for Hatboro they thought it was a matter for the Board of Trade to consider and it was referred to them.

Mr. Jarrett asked for an appropriation of \$200 for the Board of Health and same was granted.

On motion the following resolution was adopted:- "Resolved that the President, Secretary and Treasurer of the Borough of Hatboro be and are hereby authorized in behalf of the said Borough to borrow Fifteen Hundred Fifty Dollars (\$1550.00) from the Hatboro National Bank, to pay bills now due and for which loan to make, execute and deliver a promissory note for this amount, payable on demand with interest at five (5) percent per annum and to affix the corporate seal thereto."

The minutes of the last regular meeting including the two special meetings held on September 19th and September 26th for the purpose of revising the new building code were read and approved.

Mr. Walter T. Taylor of Jacksonville Road was present and requested Council to advise him just what is being done with reference to widening Jacksonville Road at County Line; at which point Mr. Taylor seemed to think it would be detrimental to his property. Council informed Mr. Taylor that the Street Committee together with Borough Engineer Muldrew would have a meeting with him in the near future on the ground and see what arrangement could be made.

Messrs. Shiles, McCall and Young were present representing the members of the Frank G. Girard Post No. 271, American Legion, and submitted a proposition in writing whereby they would turn over to the Borough of Hatboro their property on lower York Road as a site for a Town Hall and suitable quarters for the Legion as well as a recreation Park. The matter was discussed at length and on motion of Mason seconded by Schaffer Council agreed to accept the proposition and the Secretary was requested to arrange a meeting with Borough Solicitor High, representatives of the Legion and the entire Council so that a satisfactory and legal agreement could be prepared and executed by both parties.

Mr. Bozzuto of Manor Road was present and asked that some repairs be made in front of his property. The request was turned over to the Street Commissioner with instructions to do the work.

STREET COMMITTEE - Mr. Bates reported that cinders had been placed on Mill Road; Byberry Avenue patched, Jacksonville Road repaired and graded with stone on sides; pipe removed at Mill Road; patching done on Montgomery Avenue and stone placed on Manor Road.

The matter of grade on Mill Road was again left in the hands of the Street Committee, Street Commissioner and Borough Engineer. It was also agreed to repair washout on Monument Avenue and a washout on Mill Avenue near Fulmor Station.

SIDEWALK COMMITTEE - Reported that trees had been removed on the sidewalk on Montgomery Avenue and Jacksonville Road and the Street Commissioner was requested to remove two stumps on the south side of Montgomery Avenue in front of the Trank property.

The matter of the bad condition of the sidewalk on Penn Street was brought to Council's attention caused by the roots of an old willow tree destroying the pavement. The Secretary was requested to take the matter up with the Episcopal Church trustees.

The Secretary was also requested to take up with the Philadelphia Suburban Gas & Electric Company as to when they would arrange to have all the lights on York Road through the centre of the town placed in a direct line.

No further action was taken with reference to the McIlhatten and Smith drainage proposition.

Bill had been received from Borough Engineer Muldrew for the profile on Northampton Street - Moreland to Montgomery. The question was raised as to whether this profile had been presented to Council.

Committee with reference to sewers was continued.

The matter of sidewalk in front of the school property had not been taken up with Mr. Stuart by President Garner.

Borough Treasurer reported a balance in the Treasury of \$108.78.

Letter was received from Conroy & Krewson asking the Borough to accept Fairview Avenue. It was decided to hold this matter over until such time as Borough Engineer Muldrew was present and in order to get advices as to whether it was up to the Borough's requirements.

Building Inspector Kramer made his final report on the following permits: Permit No. 804 - Walter Taylor; Permit No. 811 - Peter Hallowell; Permit No. 827 - John B. Bready; Permit No. 832 - Albert Fisher; Permit No. 835 - Claude E

A regular meeting of Borough Council was called to order by Vice-President Mason at 7.50 P. M. Members present Mason, Schaffer, Morris, Llewellyn, Jarrett, Smith, Street Commissioner Jackson, Borough Officer Kramer, Borough Engineer Muldrew, and Borough Treasurer Watson, also Mr. Heiss. The minutes of the previous meeting were read and approved.

Mr. Clarence W. Butterworth who had recently been elected as High Constable of the Borough of Hatboro presented to Council his bond in the amount of \$1000 which was accepted by Council and ordered placed in the Borough box.

Burgess Robinson reported that during the month he had sworn in Borough Officer Kramer for a period of two years, Herman Steffler, for one year, Edward Miller, J. Frank Woodroffe and Frank Blumer. He further advised that all of these special officers were under the supervision of Warren Kramer, Chief of Police. On motion it was decided to procure Special Officer Blumer a key to Town Hall and the lock-up.

Mr. Harry Worth of West Moreland Avenue was present and presented a petition of residents of that street requesting that Borough Council require property owners to lay sidewalks on the north side of that street. The matter was discussed and referred to the Sidewalk Committee for their consideration.

Mr. McCadden was present with reference to the bill for curb and sidewalk in front of the Finney property on Jacksonville Road. The matter was discussed and on motion it was decided to consider the matter closed, the Borough having paid the bill.

STREET COMMITTEE - Mr. Schaffer reported that stone had been placed on Linden Street, York Road cleaned, Warminster Street scraped, crossing Moreland Avenue and Penn Street repaired and snow removed from streets.

SIDEWALK COMMITTEE - Made no report.

LIGHT COMMITTEE - Mr. Smith reported that nothing had been done with reference to the lights on Hatboro Terrace or light on Oakdale Avenue or additional lights on Jacksonville Road. These matters were left in the

Borough Treasurer, Watson reported a balance of \$2942.69 in the treasury.

Mr. Muldrew reported regarding the grading of Mill Avenue and estimated the cost would be \$1300. He stated that this work should be done, but Council decided to hold it over for later consideration.

Mr. Muldrew reported with reference to the McIlhatten drainage and informed Council that the State had no jurisdiction, but that the Borough could compel the work to be done if the matter caused damage to other property.

With reference to the drainage in front of the Smith property Mr. Muldrew informed Council that this matter was up to the owner of the property, Mr. Smith, to provide a larger pipe leading from York Road through his property, but he stated, however, that an additional inlet on the west side of York Road would help. Mr. Schaffer agreed to see Mr. Smith and see if some satisfactory adjustment could be made.

In the matter of filling the well York Road and County Line the Secretary agreed to see Mr. Cooke of the State Highway Department at Norristown at his earliest convenience.

Mr. Muldrew reported with reference to the drainage of Fairview Avenue on the Krewson Tract; that Mr. Krewson had no authority to go through private property to provide this drain, but the Borough has this authority. He further stated Mr. Krewson would pay the bill.

Mr. Muldrew reported with reference to the curb and sidewalk in front of the School property. He stated that he had consulted Borough Solicitor High and was advised that the contractor should pay this bill for failure to take out necessary permit. After some discussion Mr. Muldrew was requested to ask Mr. High to proceed with the collection of the bill.

Mr. Muldrew presented a plan to Borough Council showing a number of lots that he recommended being placed on the Borough street plan, to connect up various developed tracts. Council decided to hold this matter over

until the return of President Garner at which time a special meeting could be held for careful consideration before passing an Ordinance.

The Board of Health asked for an appropriation of \$100.00 which was granted.

Statement was received from the State Highway Department and the Union Paving Company covering balance they claim owing on York Road. The amount seemed excessive and Mr. Muldrew was requested to have the statement carefully checked.

Borough Treasurer Watson presented his 1927 statement which had been printed in the local paper and passed by the Borough Auditors. Same was ordered included in the minutes.

Mr. Heiss who prepared the Building Code informed Council that he had failed to insert a recent act of Legislature pertaining to two story buildings in the State of Pennsylvania. After some discussion it was decided to have that portion of the act that affects the Building Code Ordinance to be included in the Building Code so that all builders would be familiar with the State requirements.

Mr. Llewellyn presented a tentative estimate for the budget figured largely on last year's Borough expenses. This matter was, however, held over for further consideration.

Mr. Muldrew also presented a tentative plan of the sewers and same was gone over carefully and it was stated that the plan would be completed in about a month or six weeks.

The Secretary reported having issued the following permits during the month:-

Permit No. 923 - issued to B. H. Baldwin to make alterations in the Watson Building - Estimated Cost \$150 - Permit Charge \$3.00
Permit No. 924 - issued to J. R. Bussinger to erect dwelling on Seitzer Tract - Estimated Cost \$3500 - Permit Charge \$9.00

Permit No. 926 - issued to George Y. Blilie to erect dwelling and garage on Hatboro Heights - Estimated Cost \$7000 - Permit Charge \$15.00
Permit No. 927 - issued to George C. Yerkes to erect garage - Estimated Cost \$300 - Permit Charge \$3.00
Permit No. 928 - issued to Albert Frankenfield to erect porch enclosure - Estimated Cost \$225 - Permit Charge \$3.00

Permit No. 929 - issued to Frederick Kaiser to erect porch enclosure for Thomas Leedom-Hatboro Farms - Estimated Cost \$275.00 - Permit Charge \$3.00

Pavement Permit issued to Roberts & Mander Stove Company to lay 975 feet sidewalk at \$.08 per foot - Fee \$78.00

Vendor's Permit issued to Silver Lake Farms - Fee \$5.00

Vendor's Permit issued to Fidelity Furniture Co., 2755-57 Kensington Avenue - Fee \$5.00

Suntheimer check for \$5.00 covering use of the Lane

Tax Collector Leidy turned over his check for \$307.15 covering sixth payment on account of 1927 borough tax duplicate

\$.45 turned over by Borough Officer Kramer covering personal telephone calls

The above remittances were turned over to the Borough Treasurer.

Borough Officer Kramer as Building Inspector made his final report on the following permits:- Permit No. 855 - Walter Taylor; Permit No. 861 - Harry V. Yerkes; Permit No. 864 - Joseph R. Lannon; Permit No. 877 - Joseph Scott; Permit No. 894 - Oscar Nebel Inc.; Permit No. 896 - Oscar Nebel Inc.; Permit No. 908 - Burriss Kerbaugh; Permit No. 912 - John D. Kotz; Permit No. 915 - George Y. Blilie.

Council also approved the issuing of Order No. 5 to the State Highway Department for maintenance work from 1923 to 1926 inclusive, in the amount of \$487.37, issued since the last meeting.

On motion the following bills were read, ordered paid and orders drawn on the Borough Treasurer:

The Secretary was asked to refer it to Mr. High for his opinion.

On motion the meeting adjourned at 12 o'clock.

Secretary.

Hatboro, Pa., May 21st, 1928.

A special meeting of Borough Council was called to order by President Garner at 8.30 P. M. Members present Garner, Schaffer, Morris, Mazon, Jarrett, Smith, Borough Treasurer Watson and Borough Engineer Muldrew.

The purpose of the meeting was the discussion of streets, sidewalks and drainage conditions. The culvert and curb at Montgomery Avenue and Jacksonville Road was discussed and the most feasible plan decided by the Street Committee and Borough Engineer was to put in an open gutter. On motion of Mason seconded by Schaffer it was decided to go ahead with this work. It was further decided to regrade on Jacksonville Road south of Montgomery Avenue.

Mr. Schaffer agreed to see Mr. McIlhatten with reference to installing a larger pipe to carry more water; thus doing away with nuisance the present drain creates.

The question of grading both sides of Mill Road was discussed and it was decided to spend \$175.00 ^{additional of the balance} for the removal of trees on the both sides and on motion of Mason seconded by Morris it was decided an additional sum be spent for grading.

On motion of Jarrett seconded by Mason it was decided to leave in the hands of the Street Committee the matter of re-building the sides of Jacksonville Road north of Montgomery Avenue; and repairing Jacksonville Road south of Montgomery Avenue and re-building Mill Avenue.

Mr. Mason and Borough Engineer Muldrew were requested to see Mr. Walter T. Taylor to make arrangement for new pavement and removing dirt so as to line his property up with the other properties on Jacksonville Road.

The Committee were also asked to request Mr. Tanner to lay new sidewalk as soon as possible.

On motion meeting adjourned at 10.10. P. M.

Edward L. Smith Jr.

The statement was accepted and the exonerations were granted; and a copy of the statement ordered placed in the minutes.

Treasurer Watson reported a balance in the Treasury of \$70.59.

The Committee reported that Robert Weir had repaired roof on the Ramsey property in compliance with the Borough Code.

STREET COMMITTEE - Reported considerable work had been done on streets during the month; including grading on Mill Avenue and Jacksonville Road; and that same was still in progress.

Mr. Muldrew presented plan of Hatboro Heights and reported that he would secure the necessary agreement so that it could be approved by Borough Solicitor or High.

Borough Engineer Muldrew was requested to secure two city inlets for street work.

SIDEWALK COMMITTEE - Mr. Mason informed Council that sidewalks had been laid on Moreland Avenue, West, also on Jacksonville Road in front of the Tanner property and that the balance of this work would be hurried through.

Mr. Muldrew and Mr. Mason agreed to see Mr. Taylor with further reference to the sidewalk in front of his property on Jacksonville Road and County Line.

On motion the Secretary was directed to notify property owners on both sides of Mill Avenue requesting that sidewalks be laid at once.

LIGHT COMMITTEE - Mr. Smith recommended that an additional light be placed on York Road at the extreme southerly end of the Borough; small light at Mill Road and York Road be extended on an arm toward the centre of York Road. This work was authorized and the Secretary was directed to advise the Philadelphia Suburban-Counties Gas and Electric Company to further hurry them on the work that was authorized in a letter to them under date of May 11th.

PROPERTY COMMITTEE - No report.

WATER COMMITTEE - No report.

Mr. Alvin Winner and Dr. Homiller were present with further reference to purchasing additional fire apparatus. They advised Council they had secured prices from the Hale Company and would have further quotations from one or two

other Companies by the next meeting.

The Secretary was requested to again write Mr. Edwin N. Johnson requesting that the matter of sidewalks in front of his property at Jacksonville Road be given attention without further delay.

Mr. Muldrew reported progress with reference to sewers stating he was waiting on Upper Moreland Township to see whether or not they would join in the proposition.

In the matter of street extensions it was decided to make a special study of same prior to our next meeting and see if we could reach some conclusion at that time.

Mr. Schaffer informed Council that he had called on Mr. McIlhatten and he had agreed to arrange for a satisfactory trench to take care of the drainage through his property.

Letter received from the Dyer Stone Company quoting prices on stone was filed.

Letter was received from Samuel H. High, Esq. with reference to Board of Health Ordinance in which he advised that he saw no necessity of passing a new Ordinance at this time as the old one was very satisfactory.

Letter was received from the Oscar Nebel Company, Inc. agreeing to pay \$15,000 towards sewers and the Secretary was asked to file same.

Members present Mason, Schaffer Jarrett, Llewellyn, Morris and later Smith, Borough Officer Kramer, Borough Engineer Muldrew, Borough Treasurer Watson and Street Commissioner Jackson. The minutes of the previous meeting were read and approved.

Mr. Slater of Philadelphia, representing the Harley-Davidson Company, was present and reported a motorcycle with a side-car could be had at a figure of \$463.00. The matter was left in the hands of the Committee:- Morris and Llewellyn with the request that they report at the next meeting.

It was reported that there had been no work done on Penn Street and the \$120.00 promised by Messrs. Schwab and Wilcke had not been received.

STREET COMMITTEE - Mr. Schaffer reported that New Street had been repaired, Montgomery Avenue and Jacksonville Road.

Mr. Schaffer, Chairman of the Committee, recommended that the work on Jacksonville Road north of the Foundry as well as the work on Mill Avenue and on Moreland Avenue, West of York Road, be taken away from the Street Commissioner and given to Mr. White of Moreland Township. On motion the recommendation was passed; all Councilman present voting "Yes," except Jarrett, who voted "No."

Mr. Muldrew reported that Mr. Taylor had completed his agreement with reference to sidewalk and grade in front of his property, Jacksonville Road and County Line, and recommended that the Borough pay him \$250.00.

SIDEWALK COMMITTEE - Reported that sidewalks were being laid on Jacksonville Road and Mill Avenue and those in front of the Wambold, Beam and Burns properties to be put down at an early date.

LIGHT COMMITTEE - Mr. Mason reported that several lights had been installed and recommended that the light in front of the Wallis property on York Road have an extension and a new light at Lehman Avenue and York Road and the one moved nearer the Methodist Church. Same was authorized.

Mr. Morris also asked for a light on the bridge at Monument Avenue West. The Light Committee agreed to look into the matter and advise at the next

meeting.

WATER COMMITTEE - No report.

Borough Engineer Muldrew gave a detailed report regarding sewers giving approximate figures. It was decided to hold a special meeting of Council on Monday, August 13th. Mr. Llewellyn was placed on the Committee in place of Mr. Binder who was appointed last year and the Committee now include Morris, Llewellyn and Muldrew. It was also decided to invite Mr. Clarence Ely, Mr. T. Frank Miller and Mr. Clinton Morgan to this meeting.

Mr. Muldrew also gave a report with reference to the drainage under the Reading Railroad tracks; presented plan which was ordered filed and was continued on this Committee to see if it could be brought to a satisfactory conclusion.

It was reported with reference to the Butterworth complaint as to the drainage in front of his property that it was caused by the culvert under the Rothwell building being clogged up and the matter would have attention promptly by Mr. Jackson.

Mr. Muldrew also reported with reference to the Krewson drainage proposition and that Mr. Krewson did not seem to want to turn any money over to the Borough until his streets were accepted.

The matter of street plans was continued for a further meeting.

Hatboro, Pa., August 22nd, 1928.

A special meeting of Borough Council was called to order Wednesday evening, August 22nd, at 8 P. M. by President Garner with the following members present: Smith, Jarrett, Schaffer and Morris; Borough Engineer Muldrew and Borough Officer Kramer.

As the meeting was called for the purpose of discussing the sewer project; a committee representing the Upper Moreland Township supervisors, President F. Frank Miller and Secretary Clarence M. Ely, and President Charles F. Mebus of the Abington Township Commissioners, were present on invitation.

Engineer Muldrew read a report of his preliminary survey for the proposed sewer system and an approximate estimate of the cost of same.

The Upper Moreland Township Committee expressed themselves as favorable toward the establishment of sewers in that Township and stated that the matter had been under consideration for over a year. Because of their questionable status as to first or second class township rating, they could give no definite idea as to how soon this matter could be brought to a head but believed that it would be early this fall.

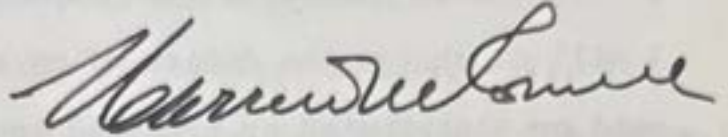

Mr. Mebus expressed the attitude of the Abington Township Commissioner as favorable toward building a sewer system in that portion of their township lying on the Pennypack watershed providing Upper Moreland carried out their plans so that their trunk sewers could be joined, and both Council and the visiting Committees expressed themselves in favor of a joint disposal plant serving all three districts providing it could be completed in time to serve the Hatboro section when that is in readiness.

Engineer Muldrew reported that the Ordinance necessary to place the sewer project before the Hatboro voters at the November election had not yet been completed by the Borough Solicitor's office and therefore no action could be taken at this meeting.

An agreement between the Upper Moreland Township supervisors and Hatboro Borough Council relative to the hire of laborers and machinery

from the Township for road work in the Borough was accepted and signed by President Garner, Chairman of Street Committee Schaffer, and President Miller and Secretary Ely, both Borough and Township receiving a copy.

The meeting adjourned at 9.35 o'clock.

Hatboro, Pa., October 1st, 1928.

A regular meeting of Borough Council was called to order by President Garner at 8.00 P. M. Members present Garner, Jarrett, Smith, Llewellyn, Mason, Schaffer and Morris; Borough Treasurer Watson, Street Commissioner Jackson and Borough Officer Kramer. The minutes of our last regular and special meeting of September 17th were read and approved.

Mr. Hoekman and Mr. Worth of Moreland Avenue, West, were present and wanted sidewalk laid to the Fisher Building and also sidewalk laid on the south side of that street past the Hilt property. After a lengthy discussion it was decided to hold the matter over until our March meeting.

Mr. John Kenney was present with reference to his bill for some work on Mill Road and it was decided to hold the matter up until the return of our Borough Engineer.

STREET COMMITTEE - Mr. Schaffer reported that work had been done on Mill Road, Jacksonville Road and Moreland Avenue, West, and practically all the streets patched.

SIDEWALK COMMITTEE - Mr. Mason reported that sidewalks had been completed on Mill Avenue and on Jacksonville Road with the exception of the Wambold property. The Secretary was directed to notify Mr. Wambold to do this work within ten days or the Borough would have the work done.

Report was made that a guy wire - Jacksonville Road and County Line should be replaced; also some poles on Moreland Avenue, West. The Secretary was directed to notify the Company to give it attention.

Mr. Mason agreed to follow up the matter of having at least a temporary sidewalk laid in front of the Saunders' property on Moreland Avenue.

Messrs. Morris and Llewellyn gave a report with reference to purchasing a motorcycle for the Borough Officer. They recommended the purchase of an Indian Machine. The matter was left in the hands of this Committee with power to act.

The Committee with reference to the Krewson drainage proposition reported progress.

The William Penn Motor Club's offer to place signs in Hatboro was accepted and the Secretary was authorized to write a letter informing them the Officer would advise them what was wanted.

The painting and marking of streets was left in the hands of the Street Committee.

The bill for laying pavement in front of the Garis property was brought to Council's attention, amount \$96.80, including the permit. The Secretary was asked to take the matter up with Mr. High and get his advices.

The Secretary was likewise directed to send Wilmer L. Craven bill for curb; 148 feet at \$.08 per foot - Amount \$ 11.84.

The Treasurer reported a balance of \$99.81 in the Treasury.

Mr. Llewellyn reported with reference to the matter of Tax Collector's bond. He seemed to think it was up to the Tax Collector to furnish his own bond. The Secretary was asked, however, to look into the matter and ascertain as to whether or not the bond that was filed with the County does not protect the Borough.

No further action was taken with reference to the matter of sewers.

A regular meeting of Borough Council was called to order by President Garner at 8.15 P. M. Members present Garner, Schaffer, Jarrett, Llewellyn, Mason, Morris, Smith, Borough Officer Kramer, Street Commissioner Jackson and Borough Engineer Muldrew. The minutes of the previous meeting were read and approved.

Mr. Clipp and Mr. Wells of the Roberts and Mander plant and Mr. Yanski of the Oscar Nebel plant were also present urging Council to favorably consider ^{placing} the matter of sewers before the voters at an early date.

STREET COMMITTEE - Mr. Schaffer reported that the ice had been cleared from York Street and Montgomery Avenue.

The Street Committee reported that they recommended for this year - a top coat on Mill Avenue and Moreland Avenue, West; that slag be placed on Cemetery Avenue from the Cemetery to the railroad; that stone be placed on Linden Street and also sides of Moreland Avenue, East from the railroad; also that stone be placed on Central Avenue, Lacey Street and a top coat on New Street - Byberry Avenue to Jacksonville Road; also some repairs to County Line - York Road east; also Lehman Avenue from York Road, West, and that stone be placed on Monument Avenue, Linden Street to the creek.

On motion the Committee were given authority to make temporary repairs to some of the streets that were badly in need of it.

Letter was received from George Bennett with reference to the bad condition of Linden Street; and the matter was tabled.

Mr. Muldrew spoke of the necessity of getting permanent grades and set-back lines in accordance with the plan submitted some time ago and it was decided to consider it at a further meeting.

The Secretary was requested to take up with Borough Solicitor High and ask whether or not residents could be compelled to discontinue

pumping water from their cellars to the street.

Committee reported that nothing had been done with reference to

Borough Engineer Muldrew. The motion was seconded by Mr. Schaffer.
The motion was lost - Jarrett, Mason, Morris and Smith voting against it.

The appropriations of \$200 to the Board of Health and the \$100 to the Enterprise Fire Company asked for were granted.

On motion meeting adjourned at 11.30 P. M.

Secretary.

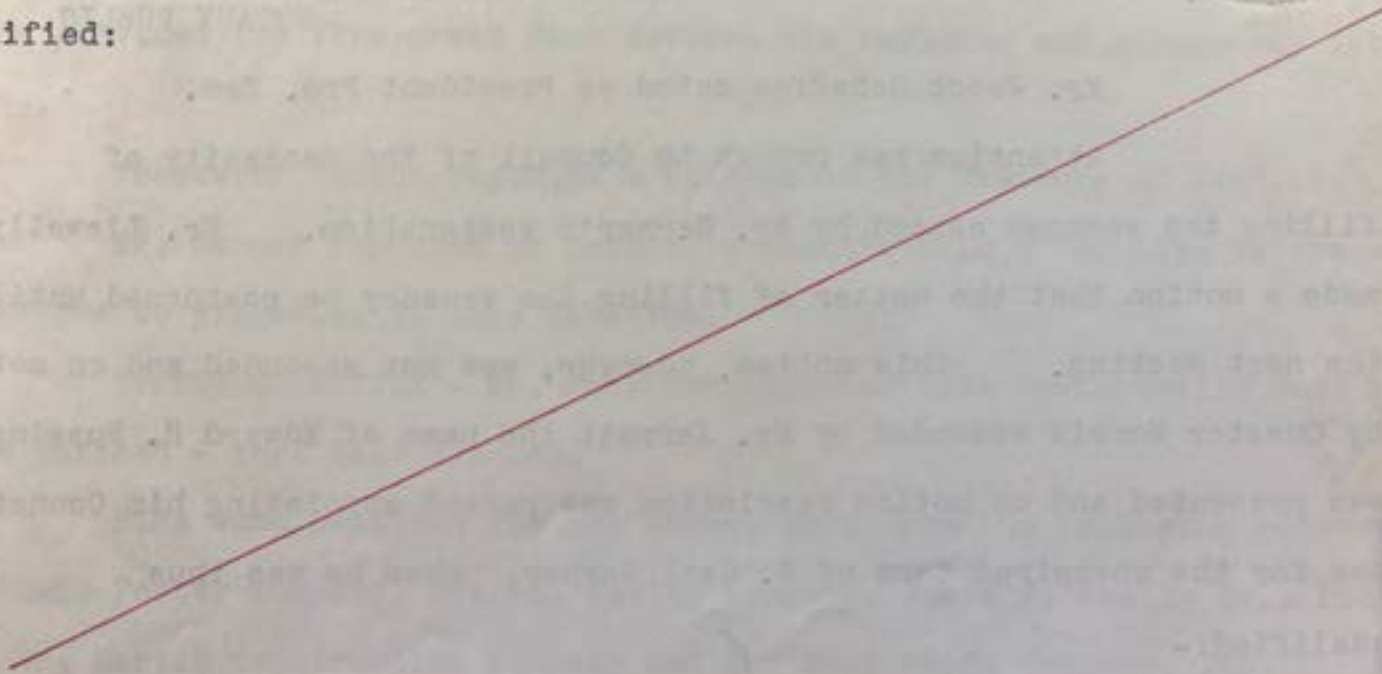

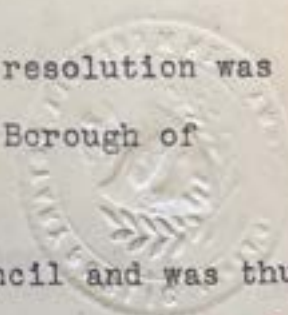

Hatboro, Pa., June 3rd, 1929.

A regular meeting of Borough Council was called to order by President Garner at 8.10 P. M. Members Present Garner, Llewellyn, Jarrett, Morris, Smith and later Schaffer, Mason, Borough Officer Kramer, Borough Engineer Muldrew, Street Commissioner Jackson and Borough Treasurer Watson. The minutes of the previous meeting were read and approved.

On motion the following resolution was adopted: "WHEREAS this body and the Borough of Hatboro has suffered a profound loss by the untimely death of its Burgess, Penrose Robinson, who has served in that office for a period of fifteen years with a matchless record of unselfish devotion and efficient service. His superb qualities of manhood endeared him to our people and his readiness to serve made him a constant servant. Whatever promised the advancement of the town or promoted the welfare of its people appealed to him and found in him an instant help. With sorrow we commemorate the virtues of our distinguished associate and estimate our great loss. Be it, Therefore RESOLVED that a copy of this minute be published and communicated to the bereaved family."

On motion of Mr. Schaffer seconded by Mr. Morris a resolution was unanimously passed appointing S. Carl Garner, Burgess of the Borough of Hatboro for the unexpired term of Penrose Robinson.

Mr. Garner immediately resigned as a member of Council and was thus qualified:

S. CARL GARNER , having by proper Resolution been appointed Burgess of the Borough of Hatboro to fill the unexpired term of Penrose Robinson, deceased, was thus qualified:

I, S. CARL GARNER , do solemnly, sincerely and truly affirm that during my incumbency of Office as Chief Burgess of the Borough of Hatboro, I will support the Constitution of the United States and of the State of Pennsylvania, and that I will faithfully perform the duties of said Office of Chief Burgess of the Borough of Hatboro to the best of my ability; That I have not paid or contributed or promise to pay or contribute either directly or indirectly, any money or other valuable thing to procure my appointment, that I have not knowingly violated any election law of this Commonwealth or procured it to be done by others in my behalf; That I will not knowingly receive directly or indirectly any money or other valuable thing for the performance or non-performance of any act of duty pertaining to my office other than compensation allowed by law.

So I affirm.

The statement was accepted and the exonerations were granted; and a copy of the statement ordered placed in the minutes.

On motion meeting adjourned at 10. 10 P. M.

Secretary.

A regular meeting of Borough Council was called to order by President Mason at 8.10 P. M. Members present Mason, Jarrett, Schaffer, Bussinger, Smith, Llewellyn, Street Commissioner Jackson, Borough Officer Kramer and Borough Treasurer Watson. The minutes of the previous meeting were read and approved.

A representative from Grimes and Company, Traffic Equipment Concern, was present and offered Council street markers. The matter was held over for further consideration.

The question of fast driving through the main street of the Borough was brought up and the Officer was asked to see that it was discontinued.

STREET COMMITTEE - Mr. Schaffer reported that Jacksonville Road had been patched; also Montgomery Avenue; rubbish on the Town Lot had been removed and the grass had been cut from the banks of some of the roads.

Nothing had been done with reference to oiling and chipping streets; bids for which had been received some time ago.

The matter of making slight repairs to County Line Road and Lehman Avenue was left in the hands of the Committee.

LIGHT COMMITTEE - Mr. Smith reported that he was arranging to have additional lights on Old York Road and his Committee was given authority to make the change - using 400 watt lamps instead of 600.

The Treasury reported a balance in the Treasury of \$60.34.

PROPERTY COMMITTEE - No report.

Mr. Bussinger was appointed on the Committees previously occupied by Stephen W. Mason; namely - Sidewalk and Light Committees.

The matter of repairing curb on Jacksonville Road above the Foundry was left in the hands of the Secretary as soon as Officer Kramer furnished further information.

Mr. Kramer was also requested to take up with the Water Company the matter of having steam connections on any future water plugs that are placed in the Borough on larger mains.

Mr. Kramer reported that the trenches of the Water Company had been

662 taken care of and were now in a satisfactory condition.

It was reported that the street marking had been completed and it was not considered a very good job.

On motion Council authorized the Borough Solicitor Samuel H. High to take entire charge of the court proceeding pertaining to the sewers when the matter comes up in September.

Borough Officer Kramer made his final report on the following permits:-
Permit No. 1022 - Chas. D. Stoutenburgh; Permit No. 1058 - Bussinger and Bennet;

The above remittances were turned over to the Borough Treasurer.

The \$3.00 permit for Clarence Lefferts' job amounting to \$16.00 was ordered to be remitted.

The matter of Tax Collector's bond was discussed and Council agreed to pay for the bond.

Letter was received from Wayne D. Meyers of the Highway Department at 69th and Market Streets with reference to declaring York Road a "Thru Traffic Highway" when on motion the following resolution was adopted:- "RESOLVED, That the Borough Council of Hatboro, in regular session assembled on this 5th day of August, 1929, does on behalf of said Borough ordain Traffic Route 263, Legislative Route 155, known as York Road, through the Borough of Hatboro, as a Thru Traffic Highway and further ordains that the State Highway Department be authorized and requested to erect and maintain the necessary signs on the said Highway."

APPROVED this 5th day of August A. D. 1929.

(Sgd.) STEPHEN W. MASON - President.

Attest: (Sgd.) WARREN M. CORNELL - Secretary.

APPROVED: (Sgd.) S. CARL GARNER - Burgess.

The foregoing is hereby certified to be a true and correct copy of resolution adopted by the Borough Council of the Borough of Hatboro, in the County of

Montgomery,

(Sgd.) S. CARL GARNER - Burgess.

ATTEST: (Sgd.) WARREN M. CORNELL - Secretary.

The Secretary was directed to send a copy of the Resolution to the Highway Department.

Letter was received from the Noble Improvement Association regarding the bad condition of the street at the edge of the Borough on Moreland Avenue.

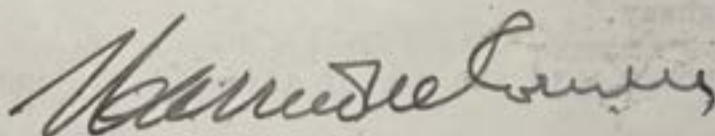

The question regarding Mr. Sissoldo's bill for curbing was brought up and left in the hands of Mr. Schaffer to see if it could be straightened out; also matter of bill against Wilmer L. Craven and the Secretary was requested to insist on payment or have him come into Council and see why it was not paid.

Members present Morris, Smith, Llewellyn, Binder, Suntheimer, Krewson, Bussinger, Borough Officer Kramer, Street Commissioner Jackson, Borough Engineer Muldrew, Borough Treasurer Watson and Borough Solicitor Duffy.

Letter was received from Lindley R. Walton, Secretary of the Board of Health, advising that they had considered the bids for the collection of garbage and recommended that contract be given to Howard L. Goodwin. On this recommendation Council authorized the proper officers to enter into a contract at \$1200.00 per year for a period of three years and to require the proper bond; the contract to be approved by Borough Solicitor Duffy.

STREET COMMITTEE - Mr. Bussinger reported progress with reference to making application for County Aid. The matter was discussed at length; when on motion the following Resolution was adopted and ordered printed in one issue of the Public Spirit:-

APPLICATION FOR COUNTY AID

To The Commissioners of Montgomery County:

WHEREAS, The section of Highway in the Borough of Hatboro, County of Montgomery, Commonwealth of Pennsylvania, starting at a point at County Line and Jacksonville Road; thence South on Jacksonville Road to Summit Avenue, being about 1310 lineal feet in length is in need of improvement, and

WHEREAS, The Borough of Hatboro desires to take advantage of the Act approved June 12, 1919, as amended by Act approved March 10, 1921, permitting Counties of the Commonwealth of Pennsylvania to appropriate and expend monies for the improvement and maintenance of State Highways and State-Aid Highways or any Public Highway in any County of the Commonwealth, etc., therefore be it

RESOLVED, That the Borough Council of Hatboro Borough, in special session assembled on the 14th day of April A. D. 1930, do on behalf of said Borough hereby petition for County Aid as hereinbefore stated.

Earl Garrison

Burgess.

H. C. Krewson

President of Council.

Attest:

N. C. Muldrew

Secretary.

Mr. Krewson, Chairman of the Sewer Committee, made a recommendation to Council that the contract be awarded to the Suburban Construction Company who were the lowest responsible bidder.

The Secretary was directed to return the certified checks to all bidders except the three lowest; who are Suburban Construction Company, F. Guy Meyers Co., Inc., and James T. McDonnell & Company.

The matter was discussed and motion made and unanimously carried:-
"To award the contract for the construction of the first unit of sewers to the Suburban Construction Company of Ardmore; they being the lowest responsible bidder; (Bid to be awarded subject to the provision that an agreement in reference to gifts of the \$40,000 between the two industries and the Borough be executed, agreeable to all parties) and the proper officers be and are hereby authorized and empowered to execute a contract with the Suburban Construction Company agreeable to the form attached to the bidding sheets, plans and specifications." This motion was made by Llewellyn and seconded by Binder.

The matter of the construction of the disposal plant was discussed at length and Mr. Krewson, Chairman of the Committee, informed Council that he and Mr. Suntheimer had gone into the matter very carefully and made inspection of numerous disposal plants and recommended that the Borough secure the services of Albright & Mebus for this work. On motion Council agreed to this recommendation - all voting "Yes" except Binder, who voted "No." The Sewer Committee were further requested to look up a location for the disposal plant.

On motion meeting adjourned at 10.30 P. M.

Mr. Leidy reported that there was outstanding the amount of \$ 14.25 which he did not like to lien and agreed to assume the responsibility for this amount.

Borough Solicitor Duffy was given authority to keep after the County Commissioners to get the return of the lien money as promptly as possible.

Mr. Howard L. Goodwin was present with reference to the court decision regarding piggeries. He informed Council that three municipalities proposed to contest the decision and Mr. High, his attorney, would like to confer with the Committee, comprising Mr. Duffy, Mr. Kramer, the Health

Officer and the Secretary, so that the matter could be taken up with Mr. Charles Johnson.

STREET COMMITTEE - Mr. Bussinger reported that patching had been done on streets; stone placed on Tanner Avenue and cinders on Manor Road to take care of the detour.

The matter of repairing Montgomery Avenue, West of York Road and re-surfacing Mill Avenue was discussed-the property owners on Montgomery Avenue proposing to pay one-half the cost. It was decided to obtain formal bids on this work.

Treasurer Watson reported balances as follows:- Borough Treasury:- \$36.24; Sewer Account \$120,446.65.

LIGHT COMMITTEE - Mr. Smith reported that work authorized at the last meeting had been completed. Mr. Sunthelmer stated that an additional light should be placed on Harding Avenue. The matter was deferred until a later meeting.

Mr. Duffy reported progress with reference to the Smith drainage proposition.

The Committee with reference to plumbing inspection reported they had done nothing.

Mr. Duffy was asked to take up with the Water Company the matter of placing water mains in the same trench as the sewer. He also reported progress with reference to the \$20,000 bond issue.

Mr. Muldrew reported that he had prepared plans with reference to street work where we hoped to secure State or County aid; and he, together with the Street Committee and the Solicitor were appointed a Committee to interview a representative of the State Highway Department on Thursday, June 5th at 7 P. M.

Messrs. Smith and Bussinger gave a report with reference to proposed parking. After considerable discussion they were authorized to secure six parking signs and have them properly placed.

On motion the following resolution was adopted:- "Resolved that the President, Secretary and Treasurer of the Borough of Hatboro be and are

hereby authorized in behalf of the said Borough to borrow One Hundred Seventy Five Dollars (\$175.00) from the Hatboro National Bank, to pay bill now due and for which loan to make, execute and deliver a promissory note for this amount payable on demand with interest at six (6) percent per annum and to affix the corporate seal thereto."

On motion meeting adjourned at 11 P. M.

Secretary.

Hatboro, Pa., June 9th, 1930.

A special meeting of Borough Council was called to order by President Morris at 8.00 P. M. Members present Morris, Binder, Smith, Krewson, Bussinger, Borough Engineer Muldrew, Borough Officer Kramer and Borough Solicitor Duffy.

The purpose of the meeting was to discuss the proposal to change the main trunk line of the sewer from the Pennypack Creek Valley between Old York Road and Warminster Street to Cemetery Avenue and Warminster Street. Borough Engineer Muldrew was opposed to this plan because of the depth to which the line would have to be laid and the difficulty of providing for future service of the Mill Avenue section. Motion was unanimously carried to follow the creek; but to change the course of the sewer where it crosses the Hatboro Cemetery property to the opposite side of the creek; providing a right-of-way can be secured from Mr. Alexander Robinson - through whose property it will run.

Borough Engineer Muldrew introduced Mr. Albert Telly of the State Highway Engineering Department, who suggested that the Borough ask the State to take over Jacksonville Road from County Line to Montgomery Avenue and Montgomery Avenue West to Old York Road; thereby extending Traffic Route 332 to meet Route 263. He suggested getting in touch with Mr. M. E. Bateman of the Township Department of the State Highway and after familiarizing him with the facts, to see Hon. Charles Johnson and the Assemblyman from this district, with a view of getting the street concreted eighteen (18) feet wide. He then believed the Borough could get an appropriation from the County to complete the work from curb to curb where this would be advisable. If this plan does not materialize it was thought advisable to apply for State and County Aid on concreting the road whereby the State would stand one-half the expense and the County and Borough each one-quarter.

On motion meeting adjourned at 10. 45 P. M.

Secretary Pro. Tem.

Hatboro, Pa., July 7th, 1930.

A regular meeting of Borough Council was called to order by President Morris at 7.50 P. M. Members present, Morris, Llewellyn, Binder, Bussinger, Krewson, Suntheimer, Borough Treasurer Watson, Borough Engineer Muldrew, Borough Solicitor Duffy, Borough Officer Kramer and Street Commissioner Jackson. In the absence of the Secretary, Borough Solicitor Duffy was appointed Secretary Pro-Tem. Copies of the minutes of the last regular and special meetings having been sent to the Councilmen were approved.

Sealed bids for the purchase of a \$20,000 bond issue, all of which were received prior to six (6) o'clock P. M., were opened and contents of the respective letters read. E. H. Rollins and Sons of 1515 Locust Street Philadelphia, submitted a bid of 103.0427%, equivalent to par plus a total premium of \$608.54. M. M. Freeman and Co., Packard Building, Philadelphia submitted a bid of 102.339% for the entire issue and A. B. Leach and Co. of Philadelphia submitted a bid of 103.09% for the entire issue. On motion of Mr. Llewellyn seconded by Mr. Binder and unanimously adopted the \$20,000 bond issue was sold to A. B. Leach & Co. for 103.09%; they being the highest responsible bidder. Their check of \$400.00 to be deposited by the Borough Treasurer and other checks to be returned to the respective bidders.

Mr. Edward Fridey spoke to Borough Council relative to the paving of sidewalks on West Moreland Avenue west of York Road. Mr. Worth also made several remarks relative to that work and as a consequence of the discussion President Morris appointed Mr. Krewson, Mr. Binder, Mr. Llewellyn and Mr. Cornell as a Committee to interview Mr. Oscar Nebel and obtain a price from him for a strip of ground on the south side of Moreland Avenue west of York Road having a frontage of approximately seventeen (17) feet on York Road and running westwardly to an irregular depth.

President Morris reported that the Abington Township Commissioners in special meeting had decided to hold a special election to increase

their indebtedness to enable them to build sewers and a disposal plant jointly with the Borough of Hatboro. The Commissioners further requested that the Councilmen of Hatboro meet them on Tuesday night, July 8th, in Hatboro to discuss the proposition of a joint disposal plant.

The Street Committee reported that Warminster Street was repaired from Byberry Avenue to Fulmor Station; that the pipe at Mr. Walton's property was laid.

An application for the position of sewer clerk was received from Edmund O. Mason and since no action is to be taken on this matter it was ordered to be filed.

Mr. Felty spoke to Borough Council in reference to the paving of Moreland Avenue and Mr. Muldrew was instructed to draw specifications and form of advertisement for bids for the paving of Moreland Avenue from York Road to Chester Street.

LIGHT COMMITTEE - No report.

James H. Jackson was authorized to construct a storm water drainage system from York Road between the Smith and Masland properties; westerly through the Kessler Estate property in accordance with the plans and specifications as previously furnished, upon the obtaining from Smith and Masland their check for one-half of the cost of the work.

The agreement for laying water mains in the ditch opened by the Suburban Construction Company on the easterly side of York Road duly executed by the Water Company, Suburban Construction Company and National Surety Company received and ordered filed.

The Secretary was instructed to write to Mr. Stackpole of the Highway Department, 69th and Market Streets, Philadelphia, and order him to paint traffic lines on York Road in the Borough limits.

Borough Treasurer Watson was instructed to give bond to the Borough for One Thousand (\$1,000.00) Dollars with two sufficient individual sureties for the faithful performance of his duties.

President Morris appointed Mr. Krewson, Mr. Suntheimer and Mr. Bussinger

to interview Mr. Kinsey and Mr. Rothwell and obtain from them a right-of-way through their properties for the sewerage offal line. On motion of Mr. Krewson seconded by Mr. Bussinger and unanimously adopted the Secretary was instructed to write to Mr. Freeborn of the Health Department, relative to having him approve a site for the disposal plant for the Hatboro Sewerage which may be used in the event that Upper Moreland Township does not decide to build a sewer system. On motion of Mr. Llewellyn, seconded by Mr. Suntheimer and unanimously adopted the Secretary and Treasurer were appointed a Committee to obtain the prices on the printing of bonds for the new \$20,000 bond issue and award the printing to the lowest responsible bidder.

Borough Treasurer Watson reported a balance in the Borough Treasury of \$11.73 and a balance of \$111,497.87 in the Sewer Account.

 Order No. 8-Suburban Construction Co., 2nd payment - \$14,226.35
 On motion the following resolution was adopted:- "Resolved that the

President, Secretary and Treasurer of the Borough of Hatboro be and are hereby authorized in behalf of the said Borough to borrow Fifteen Hundred Dollars (\$1500.00) from the Hatboro National Bank, to pay bills now due and for which loan to make, execute and deliver a promissory note for this amount payable on demand with interest at six (6) percent per annum and to affix the corporate seal thereto."

On motion made by Mr. Llewellyn, seconded by Mr. Krewson and unanimously adopted, except Mr. Binder who voted "No", the Solicitor was instructed to draft a tentative Ordinance prohibiting the sale and discharge of fire works in the Borough.

Mr. Binder reported progress by the Plumbing Code Committee.

On motion made by Mr. Binder and seconded by Mr. Bussinger the meeting was adjourned at 10.20 P. M.

Secretary Pro. Tem.

Hatboro, Pa., July 8th, 1930.

A special joint meeting of Borough Council and Upper Moreland Township Commissioners was held in the Council Chamber at Hatboro on Tuesday evening at 8.30 P. M. Chairman Morris called the meeting to order ; those present being Councilmen Morris, Bussinger, Krewson, Binder, Llewellyn and Borough Solicitor Duffy of Hatboro; Commissioners Miller, Morgan, Hill, Riley, Solicitor High, Secretary Schiesser and Engineer Mebus of Upper Moreland Township.

The meeting was called at the request of the Upper Moreland Commissioners to discuss plans for a joint sewage disposal plant. Mr. Miller reported that plans for Upper Moreland Township's proposed sewer system had been prepared but that the location of a disposal plant had not yet been fixed. He stated that the Commissioners at a recent meeting had gone on record as favoring a special election for a sewer loan providing Hatboro would enter into an agreement for a joint disposal plant.

Mr. Mebus presented the Township's sewer plan including the proposed site for the disposal plant located on a tract of approximately six acres south of the Pennsylvania Railroad "Cut-Off" and east of the Reading Railroad north of Fitzwatertown Road, and owned by Alexander Robinson.

Borough Council was unanimously agreeable to joining with Upper Moreland on the erection of a disposal plant providing the Township proceed immediately with its special election and providing also that the site proposed is adopted.

Solicitor High was instructed to prepare an agreement. It was felt that both bodies should share equally in the construction cost of the joint plant, and purchase of ground; that operation and upkeep should be proportioned on a gallonage basis; and that expense of future enlargement of the plant should be borne by each in proportion to increased usage.

On motion the meeting adjourned at 9.30 P. M.

Secretary Pro. Tem.

Hatboro, Pa., August 5th, 1930.

A regular meeting of Borough Council was called to order by President Morris at 8.15 P. M. Members present Morris, Suntheimer, Krewson, Binder Smith, Llewellyn, Bussinger, Street Commissioner Jackson, Borough Officer Kramer, Borough Treasurer Watson, Borough Engineer Muldrew and Borough Solicitor Duffy. The minutes of the previous regular and special meetings having been sent to the various Councilmen were approved.

The Secretary was directed to order fire-plug placed on Manor Road at the end of the line.

LIGHT COMMITTEE - Made no report. They were requested, however, to look into the advisability of placing a light at the corner of Windover and Loller Roads.

STREET COMMITTEE - Mr. Bussinger reported that some patching had been done on streets. It was further reported that the streets were very dirty where sewers had been laid and large stones or rocks had been left on the roadway. The Street Committee were requested to give this matter their attention.

The Committee appointed at the last meeting to secure information regarding the price of part of the Oscar Nebel property - York Road and Moreland Avenue reported that nothing had been done in as much as Mr. Nebel is now in Europe.

Mr. Muldrew informed Council that nothing had been done with reference to securing prices on repairing Montgomery Avenue - York Road to Chester Street. He agreed, however, to furnish the necessary information to advertise for bids.

Information was received that the State Highway Department will not take care of street lines. Chief Kramer agreed, however, to look after same.

It was reported that nothing further had been done with reference to securing permission to run through the Kessler property to take care of the drainage through the Smith garage property.

properties. The agreement was read, discussed and on motion the proper 723
Officers were authorized to execute same.

Mr. Krewson, Chairman of the Sewer Committee, reported that he, together with Mr. Muldrew, Mr. Mebus and Mr. Freeborn had gone into the matter of a proposed site for the sewage disposal plant and recommended a piece of ground near Heaton Station. Mr. Krewson agreed to ascertain as to whether or not Upper Moreland Township had negotiated for this piece of ground and Mr. Duffy also agreed to take up the question of necessary right-of-way from the present terminus of the sewer to the proposed site of the disposal plant; after which it was decided to have a special meeting of Borough Council so that further action could be taken.

Samuel H. High, Esq. presented an agreement between the Borough of Hatboro and the Township of Upper Moreland with reference to a joint sewage disposal plant. Same was read and on the approval of Borough Solicitor Duffy on motion the proper Officers were directed to execute same and to forward it to Mr. High.

Borough Treasurer Watson reported the following amounts in the Treasury:-
Sewage Fund - \$96,890.51; Borough - \$68.71.

On motion the proper officers were authorized to execute orders to Mr. Muldrew, the Sewer Contractor for work ordered done when same were approved by Mr. Krewson; and they were also authorized to execute an order to pay off an indebtedness to the Hatboro National Bank when funds are received from bonds.

It was further decided not to build that portion of the sewer on Lincoln Avenue north of the Nebel plant at this time.

The Ordinance with reference to the prohibiting of fire-works was not prepared, but would be considered at a future date.

Mr. Binder also reported progress with reference to the plumbing code.

Each city, borough, or township, receiving such payment to forthwith pay the same to the Relief Fund Association of the fire department - duly recognized as such by the Council - of such - borough, etc., and

WHEREAS the Borough of Hatboro has not formally recognized the fire department of the Borough of Hatboro nor the Relief Fund Association connected therewith.

NOW be it Resolved, that the Town Council of the Borough of Hatboro, at a regular meeting duly assembled, does hereby recognize the Enterprise Fire Company as the official fire department in the Borough of Hatboro and the Enterprise Fire Company Relief Fund Association as the proper relief fund association associated with the said fire department.

AND be it further resolved that the Treasurer of the Borough of Hatboro upon receipt of payments from the State Treasurer as above described, forthwith pay the said amounts unto the said Enterprise Fire Company Relief Fund Association, taking a receipt from the President and Secretary of said Association as evidence of such payment.

PASSED this first day of December, 1930. A. H. Steinhilber President

Attest: Harold E. Linn Secretary

APPROVED Harold E. Linn Burgess

Hatboro, Pa., December 8th, 1930.

A special meeting of Borough Council was called to order by President Morris at 8.00 P. M. Members present Morris, Llewellyn, Bussinger, Suntheimer, Binder, Smith and Borough Solicitor Duffy.

An ordinance was adopted to appoint a Special Assessor for borough purposes. The motion was moved by Llewellyn and seconded by Binder; and passed 4 - 0. Harry V. Yerkes was nominated as Special Assessor being nominated by Mr. Llewellyn - nominations being closed 4 - 0.

Mr. Jesse O. Binder was instructed to purchase a large table for the Council Room; the cost not to exceed \$10.00.

On motion meeting adjourned at 9.30 P. M.

Secretary.

Hatboro, Pa., January 5th, 1931.

A regular meeting of Borough Council was called to order by President Morris at 8.10 P. M. Members present Morris, Smith, Llewellyn, Suntheimer, Bussinger, Borough Officer Kramer, Borough Treasurer Watson, Burgess Garner, Borough Solicitor Duffy, Street Commissioner Jackson and Borough Engineer Muldrew. The minutes of the last regular and special meetings having been sent to the various Councilmen were approved.

Burgess, S. Carl Garner gave a report with reference to the proposed Ordinance creating a special Borough assessor. He informed Council that he felt it was his duty to veto this ordinance and the matter was laid on the table.

Messrs. Taylor and Peterson, property owners of Jacksonville Road, were present and complained to Council about the condition of the road in front of their properties. The matter was left in the hands of the Street Committee and Street Commissioner Jackson with the suggestion that they ask the Contractor to remedy same.

STREET COMMITTEE - Mr. Bussinger reported that man-holes on York Road were cleaned, streets on Krewson Tract scraped and patching done on Lehman Avenue.

Question was raised as to what had been done with reference to new fire-plug on Lehman Avenue.

Mr. Muldrew reported that application had been made for County Aid for new construction on Jacksonville Road. The Secretary informed Council that letter had been received from the Montgomery County Commissioners advising that they had approved same - the County to assume fifty percent (50%) of the estimated cost of \$29,000 or \$14,500. Letter was also received from James L. Stuart, Secretary of Highways, acknowledging receipt of the application and informed the Borough they had agreed to grant this aid.

The Secretary furnished rates for public liability and property damage insurance on the two fire apparatus, and the Secretary was instructed to bind this insurance for one month. After some discussion it was decided

to get rates from some participating Company.

Check was received from the Treasury Department at Harrisburg for \$150.07 payable to O. T. Watson, Treasurer of the Borough of Hatboro covering return on foreign fire insurance premiums. Same was endorsed and turned over to the Fire Relief Association of the Enterprise Fire Company, No. 1.

In the matter of the Craven curb bill it was left in the hands of Mr. Duffy and Mr. Jackson to see what adjustment could be made.

Treasurer Watson reported as follows:- Sewer Fund - Balance - \$44,048.98, General Fund - Balance - \$10,482.30.

The Sewer Committee were requested to try to bring to a speedy conclusion the matter of land for the disposal plant and were also given instructions to negotiate for the additional land required from the Pennsylvania Railroad Company and the right-of-way into the property.

Mr. Duffy presented a contract from the Reading Company with reference to laying sewer pipes under their property at Fulmor Station when the following Resolution was adopted:- "BE IT RESOLVED by the Burgess and Town Council of the Borough of Hatboro, Pennsylvania, that the Borough of Hatboro, for and in consideration of the privileges granted by Reading Company (Operating the North East Pennsylvania Railroad) to the placing and maintaining of a pipe line to be used by the Borough of Hatboro, for drainage purposes, under and across the track, right of way and property of North East Pennsylvania Railroad Company, at a point 399 feet south of Fulmor Station, in Upper Moreland Township, Montgomery County, Pennsylvania, enter into and execute the accompanying agreement, in duplicate, to be signed and executed with the seal of the Borough of Hatboro affixed, on behalf of the Borough of Hatboro.

FURTHER RESOLVED, that the Borough Secretary prepare duplicate copies of this Resolution to be appended unto and made part and parcel of the said agreement.

Passed Council January 5th, 1931."

(Sgd.) H. CHESTER MORRIS

President of Council.

APPROVED: (Sgd.)

(Sgd.) Attest: WARREN M. CORNELL-Borough Sec.

S. CARL GARNER-Burgess.

He read the contract and recommended it and on motion the proper officers were given authority to execute same and to affix the Borough seal thereto.

John S. Leidy, Tax Collector, turned over his check for \$721.19 being seventh payment on account of 1930 borough tax duplicate

The above remittances were turned over to the Borough Treasurer.

It was decided, however, when application was made for permits under \$100.00 to simply notify the Building Inspector and not to charge for the permit unless he feels there has been some misrepresentation as to the cost.

Letter was received from Wm. T. Muldrew addressed to Mr. A. C. Krewson, Chairman of the Sewer Committee giving a statement of the sewer work done showing a balance at this time of \$4,527.09. The matter was discussed and it was decided to pay \$3000.00 on account of this bill and to hold the balance until Jacksonville Road was put in better shape.

Mr. Muldrew also presented two bills; one of \$150.00 on account of the sewer contract which was ordered paid; and another for \$500.00 on account of services rendered in preparing assessment data, etc. This bill was held until the sewer Committee could make an investigation regarding same.

Letter was also received from Mr. Muldrew addressed to O. T. Watson, Treasurer, enclosing a financial statement together with the sewer costs. Same was ordered to be filed.

The Secretary was asked to send a letter to Mr. A. C. Krewson thanking him for the fruit sent for the Holiday Season.

On motion meeting adjourned at 11.11 P. M.

Secretary.

Hatboro, Pa., February 2nd, 1931.

A regular meeting of Borough Council was called to order by President Morris at 8.10 P. M. Members present Morris, Suntheimer, Bussinger, Binder, Llewellyn, Krewson, Smith, Street Commissioner Jackson, Borough Solicitor Duffy, Borough Engineer Muldrew, Borough Officer Kramer and Borough Treasurer Watson. The minutes of the last regular meeting having been sent to the various Councilmen were approved.

STREET COMMITTEE - Mr. Bussinger reported that crossing in front of the Peterson property had been repaired; Lehman Avenue repaired; some repairs in filling holes on Hatboro Farms and some work done on Warminster Street - washout being filled up.

Attention was called to the bad condition of the roadway between the railroad tracks at Montgomery Avenue and the Secretary was asked to write the Reading Company and ask they be repaired.

The matter of patching Penn Street from Montgomery Avenue to the Worthington Coal-yard was left in the hands of the Committee for their attention.

LIGHT COMMITTEE - Mr. Smith reported that two additional lights had been ordered on Hatboro Farms; one near the Vogel property on Warren Road and Continental Road and another at Windover and Loller Roads; and that a new light had already been installed near the Episcopal Church at Byberry Avenue and one had been discontinued at Lehman Avenue.

SEWER COMMITTEE - Mr. Krewson reported what progress had been made.

Treasurer Watson reported as follows:- Balance General Account - \$9,437.92 - Sewer Account - \$40,994.05.

Mr. Watson further reported that the auditors had made an examination of his accounts and the statement had been published and it was directed that a copy of same be included in these minutes.

Borough Engineer Muldrew advised Council that plans and specifications had been prepared for work on new road on Jacksonville Road. After some discussion it was decided to hold up the advertising of bids for this work

BURGESS.

Hatboro, Pa., March 2nd, 1931

A regular meeting of Borough Council was called to order by President Morris at 8:00 P.M. Members present: Morris, Suntheimer, Bussinger, Llewellyn, Krewson, Binder, Smith, Borough Treasurer Watson, Borough Engineer Muldrew, Burgess Garner, Borough Officer Kramer, Borough Solicitor Duffy, and Street Commissioner Jackson. The minutes of the last regular meeting, having been sent to the various Councilmen, were approved.

Burgess Garner discussed the matter of the Strike of the Hosiery Mill and asked that special officers be appointed so that he could have them sworn in. He stated that he felt that the Council should not take a side with the mill workers or the mill owner and asked for authority to pay the officers between Council meetings. Mr. Jarrett was present and suggested to Council that strike signs be placed on Moreland Ave. approaching York Road. On motion the Strike Committee was given authority to secure such signs.

STREET COMMITTEE - Mr. Bussinger reported repairs that were made on Hatboro Heights, Mill Road and County Line. Committee was requested to pave some streets near the Rohrman property.

LIGHT COMMITTEE - Mr. Smith reported that lights had been satisfactory during the month and that two additional lights had been installed in the Hatboro Farms.

Water Committee made no report. On motion, Mr. Duffy was requested to look into the matter of ordinance regarding to upkeep of roadway between the P. R. T. tracks.

SEWER COMMITTEE - Mr. Krewson was given authority to meet with the Commissioners of Upper Moreland for the purpose of arranging an agreement for the construction and operation of the Sewer Disposal Plant and the purchase of the necessary land. The Sewer Committee was further to make recommendations for a Sewer Clerk at the next meeting and

Mr. Binder was included in the Committee.

After some discussion, it was decided to advertise for bids for a construction of a new roadway on Jackson Road. The matter was left in the hands of Borough Solicitor Duffy and Borough Engineer Muldrew. Mr. Muldrew also agreed to furnish an itemized bill in reference to the deed descriptions along the line of the Sewer and Mr. Krewson was requested to look into the matter and report at a later date.

A letter was received from the Reading Company advising that the crossing at Moreland Ave. had been repaired.

On the recommendation of Solicitor Duffy, the Borough decided to join the Association of Penna. Boroughs.

Treasurer Watson made the following report:- Balance in the General Account - \$8,852.76 - Balance in the Sewer Account - \$37,390.60. The following remittances were reported:-

Ninth payment on account of 1930 Borough Tax Duplicate from John S. Leidy - \$1,063.51.

Rental received from the Loller Building and Loan Ass'n. - \$24.00.

The Secretary also reported the following permits:-

Permit No. 1218 - issued to William F. Weber to erect Green-House on the East Side of Lancaster Ave., estimated Cost \$2,000., Permit Charge \$5.00.

Hatboro, Pa., April 6th, 1931

A regular meeting of Borough Council was called to order by President Morris, at 7:40 P. M. Members present Morris, Binder, Krewson, Smith, Llewellyn, Bussinger and Suntheimer, Borough Engineer Muldrew, Burgess Garner, Street Commissioner Jackson, Borough Officer Kramer, Borough Treasurer Watson, and Borough Solicitor Duffy. The minutes of the last meeting, having been sent to the various Councilmen, were approved with one correction pertaining to Philadelphia Electric Company remittance.

Bids were received for the construction of both the macadam and concrete road on Jacksonville Road from Montgomery Avenue to County Line as per itemized Blue Print attached hereto. On motion of Binder and seconded by Krewson, it was decided to award the contract to the lowest bidder for macadam construction, providing the appropriation originally discussed, could be received from the County Commissioners, and the Secretary and Mr. Jackson were appointed a committee to call on the Commissioners.

On motion of Llewellyn and Binder, Borough Solicitor Duffy was directed to take up with the Hatboro Water Company and the Philadelphia Electric Company the question of the laterals, directing them to place whatever laterals are required immediately, and if necessary to prepare ordinance to enforce same.

Street Committee, Mr. Bussinger, reported that repairs have been made on Lehman Avenue and Harding Avenue, and that the amount of \$39.10 had been expended in filling up holes caused by installation of sewers, with the understanding that this amount would be deducted from the contractor's bill.

Street Commissioner Jackson was requested to fix Jacksonville Road and Byberry Avenue, temporarily.

The Light Committee, Mr. Smith, made no report.

Treasurer Watson reported the following: Balance in Treasury, General Fund \$8904.55 - Sewer Fund \$34,623.55.

Solicitor Duffy reported progress with reference to having the P. R. T. repair the roadway between their tracks on lower York Road.

On motion Borough Engineer Muldrew was requested to prepare specifications and plans and advertise for bids for the construction of a roadway on Byberry Avenue from York Road to the Railroad.

On motion the Secretary was directed to notify all property owners along this street to immediately lay sidewalks and curbs, Mr. Duffy agreeing to furnish the proper legal notice to be served.

The Street Committee were asked to consider the matter of inspector, and the fee to be paid, and to report later.

Borough Officer reported that parking signs had been purchased and placed on the street.

Mr. Duffy informed Council that he had taken a membership in the Pennsylvania Association of Boroughs.

Sewer Committee, Mr. Krewson, reported what progress had been made; same was discussed at some length when the Secretary was directed to write the Commissioners of Upper Moreland Township advising that it will be necessary to have the agreement between the two communities regarding the construction and maintenance of the sewage disposal plant, prepared and executed within five days, otherwise the Borough would proceed to secure the land and build its own disposal plant without further delay. The Secretary was asked to send a copy of this notice to Solicitor Duffy.

A bill of \$500.00 presented by Borough Engineer Muldrew, at a previous meeting, for plans and deed descriptions of properties abutting along the sewer line was again discussed, and on motion of Krewson and Binder it was decided to pay one-half of this amount or \$250.00, all voting in favor of the motion except Llewellyn.

With reference to the selection of a sewer clerk, the Committee were asked to make recommendations at the next meeting.

A letter was received from Mr. Charles Kinsey, itemizing the things that he felt he was entitled to with reference to the sewer right-of-way through his property. The letter was discussed and laid on the table for the present.

The matter of Clean Up Day was left in the hands of the Board of Health.

The Secretary reported the following remittances, and permits issued:

John S. Leidy, Tax Collector, 10th payment on account of 1930 Borough Tax Duplicate \$609.47.

John S. Leidy, Tax Collector, 3d payment on account of 1930 Fire Tax Duplicate \$169.69.

Hatboro, Pa., April 20, 1931

A special meeting of Borough Council was called to order by President Morris, at 7:30 P. M. Members present were Morris, Suntheimer, Binder, Llewellyn, Krewson, Bussinger, Street Commissioner Jackson, Borough Solicitor Duffy and Borough Engineer Muldrew.

The Secretary reported having called on the County Commissioners with reference to securing County appropriation for the work on Jacksonville Road.

Borough Solicitor Duffy presented Ordinance No. 139 authorizing the proper officers to execute contract for Jacksonville Road, which was passed, ordered to be printed one time in the Public Spirit, and ten hand bills to be placed on Jacksonville Road, (Contract being awarded to Paul W. Longsdorf, Incorporated, at a figure of \$15,390.25, being the low bid for black top Macadam, or State Highway Specification "E").

It was also reported that letters have been written to Philadelphia Electric Company and Hatboro Water Company with reference to having proper laterals installed. Borough Engineer Muldrew agreed to look after this matter.

Borough Solicitor Duffy further presented a petition to the Public Service Commission for Certificate of Public Convenience covering Right-of-Way over the Pennsylvania Railroad property. The proper officers of the Council were authorized to execute same.

The Secretary was directed to return all certified checks in connection with the bids for Jacksonville Road work, except the check of Paul W. Longsdorf, the successful bidder.

Letter was received from Mr. Edward Schiesser, Secretary of the Township of Upper Moreland, enclosing the agreement prepared by their Attorney, Samuel H. High, in connection with the erection and maintenance of a joint sewage disposal plant. Each item was discussed

carefully by Council and numerous exceptions made, when the meeting adjourned at 8:30 to call on the Commissioners of Upper Moreland Township at Willow Grove.

At this meeting each item was taken up and carefully discussed by representatives from both communities, and it was apparent that the agreement would be revised satisfactorily to all concerned.

It was further understood that each community would have a further meeting on Monday, April 27, and that arrangements would be speedily made to have the plant started.

Secretary

Hatboro, Pa., April 27, 1931

A special meeting of Borough Council was called to order by President Morris, at 8:45 P. M. Members present were Morris, Binder, Smith, Krewson, Suntheimer, Bussinger, Borough Solicitor Duffy and Borough Engineer Muldrew; the purpose of the meeting being to consider an agreement between the Borough of Hatboro and the Township of Upper Moreland, with reference to the construction and maintenance of a sewage disposal plant, a copy of said agreement having been previously forwarded to the respective Councilmen.

The following resolution was adopted: WHEREAS the Borough of Hatboro and the Township of Upper Moreland have determined to build a joint disposal plant. NOW BE IT RESOLVED that the Borough of Hatboro enter into the following agreement with the Township of Upper Moreland:

WHEREAS the Borough of Hatboro is now constructing and has about completed, and the adjoining Township of Upper Moreland, a first-class Township, is about to construct, a municipal sanitary sewer system;

AND WHEREAS it will be necessary for each municipality to treat its sewerage in and by a disposal or treatment plant and, in order to avoid a plurality of plants, as well as for economic reasons, it is agreeable to both to erect one plant, adequate for both, at the joint expense, to be jointly owned, and jointly used and operated;

NOW THEREFORE, IT IS AGREED BY AND BETWEEN the said Borough of Hatboro, hereinafter called "Borough", party of the first part, and the said Township of Upper Moreland, hereinafter called "Township", party of the second part, each joining herein in consideration of the covenants of the other, as follows:

1. That, by reason of negotiations already made, the Borough and Township jointly purchase, taking title in their joint names, a tract of land situate in the Township of Upper Moreland, now owned by Alexander D.

Robinson, containing 6.049 acres, bounded by real estate of Manor Real Estate Company, George Y. Bready, Ida Madonna, and the right of way of the Northeast Pennsylvania Railroad Company, at the price that has been agreed upon. Inasmuch as the Borough is in funds, and the Township is not presently, it is understood that the Borough shall advance and pay all the purchase money for this land and the Township is not presently, it is understood that the Borough shall advance and pay all the purchase money for this land and the Township shall, as soon as it receives the proceeds to be derived from the sale of its bonds, reimburse the Borough for one-half the purchase money and all costs incidental to the purchase and conveyance.

2. That the Township shall acquire, either by purchase or condemnation, a tract or piece of land, being part of the premises owned by the said Ida Madonna, extending along the Easterly boundary line of the North Pennsylvania Railroad Company's right of way, BEGINNING at the center line of Horsham Road laid out to a width of 33 feet, and extending Northwardly of that width along said right of way approximately 200 feet to land of the said Alexander D. Robinson mentioned and described in the preceding paragraph, necessary to be obtained in order to obtain access to and from said premises to a public highway. Title to the said premises is to be taken in the joint names of the Borough and Township and whatever is paid therefor, together with incidental expenses, is to be borne equally. The price paid for said premises, if the property is acquired by purchase, shall be satisfactory to both parties.

3. Promptly after acquisition, at least of the said Robinson's land, Borough and Township shall and will have Albright & Mebus, engineers for both, at their joint and equal expense, prepare plans and specifications for a municipal sewage disposal plant, adequate for the present and the reasonably anticipated future needs of both municipalities, and invite proposals for the erection thereof. Both municipalities shall

award the construction contract or contracts for the complete plant to the lowest responsible bidder or bidders and enter into such contract or contracts with the successful bidder or bidders for the construction and completion of the same, all costs and payments to be equally paid, as and when due and payable, by each municipality. The disposal plant when so erected, like the land, shall and will be jointly owned, each municipality having an undivided one-half interest therein.

4. Inasmuch as the Township has not as yet commenced the construction of its sewer system, and inasmuch as it is requested to join in the construction of and payment for said disposal plant long before it will have any use therefor, the Borough agrees to promptly pay when due and upon demand therefor unto the Township such a sum as will represent interest for a period not exceeding four months at the rate of four and one-quarter ($4\frac{1}{4}$) percent. per annum on the capital sum paid by the Township as its one-half of the cost of the construction of the disposal plant and all costs incidental thereto from the date of the completion of the plant to the date when the Township makes use thereof.

5. When erected, the said plant shall and will be under the joint dominion, supervision and management of the Chairmen of the Sewer Committees of the respective municipalities or their successors, such Chairmen shall employ all necessary employees, obtain all necessary labor and materials for the successful and efficient operation of the plant.

6. It is also reasonably expected that the population served by the respective systems will at the start approximate equality. Therefore, when erected, so long as the plant is used by the Borough only, it shall and will bear and pay all maintenance and operation costs until such time as the Township uses the plant when and thereafter, subject however to modification when needed, as hereinafter provided, such costs shall be equally borne and paid as and when due and payable.

7. It is desirable that contribution to maintenance operation, replacement and enlargement costs be not now unalterably fixed but shall be sufficiently elastic and adjustable to hereafter equitably fix, when adjustment is needed, the proportionate shares, in the event the use of the plant and the contribution of sewerage for disposal be by the one considerably more than by the other. Therefore, whensoever the use of the plant and the contribution by the one municipality shall materially exceed that of the other, each municipality shall contribute toward maintenance, operation, replacement and enlargement costs in proportion to its use and contribution and should there be at any time a dispute or disagreement between the municipalities as to the proper share of such costs to be borne by them respectively, by reason of unequal use and contribution, then and in that event, such dispute shall be referred for final decision, which each now agrees to accept as conclusive, to the then head of the Pennsylvania Department of Health and/or Sanitation. Moreover, each agrees to always pay the share of such cost allotted to it by any such decision or any subsequent decision.

8. Should the need and use for the disposal plant by the one municipality grow apace the other and such unequal growth necessitate the enlargement of the disposal plant, the municipality whose greater and unequal growth necessitates such enlargement shall be permitted to make an addition and extension to or enlargement of the same but shall also pay for the same to be, however, reimbursed to the extent of one-half of the cost thereof when and as soon as the other municipality has grown to the extent that it can and does make use of such extension or enlargement.

9. In order that the plant may be operated without interruption, should either municipality be required to pay towards the maintenance, operation, replacement and enlargement costs of the said plant any sum or sums of money that should under the terms and provisions hereof be paid by the other, then, and in that event, the municipality that so fails

to pay does hereby authorize and empower any attorney of any Court of record in Pennsylvania to appear in the office of the Prothonotary of the Court of Common Pleas of Montgomery County for it, as often as necessary, and confess a judgment or judgments against it for any such sum or sums it has so failed to pay and paid by the other, which judgment or judgments shall be in favor of the other with release of errors. A copy of this agreement filed of record shall always be sufficient proof of the authorization and confession, and an affidavit made on behalf of the municipality entitled to judgment shall be sufficient proof of the amount of the judgment confessed and to be entered.

10. Inasmuch as possible contingencies cannot be anticipated and herein provided, it is agreed that should there be hereafter any dispute between the municipalities concerning any matter or thing not herein provided or anticipated, then such dispute shall be referred for decision to the then head of the State Department of Health and/or Sanitation, which decision when rendered shall be final and conclusive between the parties and by each faithfully observed.

11. That the Borough of Hatboro shall and will not receive into its sewer or permit to be emptied and discharged into any of its sewers, to the end that the same may be conveyed to the joint disposal plant for treatment and disposition, any industrial or trade waste such as violates Section 20 of the permit issued to the Township of Upper Moreland for the construction of its sewer system, the disposal plant as well as its use and maintenance, and this reference to said Section of such permit now lodged for record in the office of the Recorder of Deeds of Montgomery County shall at all times have the same force and effect as if the same were incorporated herein. Furthermore, Hatboro will at all times obey any order hereafter given by the State Board of Health and/or Sanitation or by the State Water Board regulating, restricting or forbidding the contribution of trade or industrial waste to its

effluent that is to be received and treated at the said disposal plant. This means that Hatboro will not empty into the disposal plant such industrial or trade waste that Upper Moreland is not permitted to empty into same under the terms of its said permit.

12. The execution of this agreement by the proper officers of the municipalities has been duly authorized by Borough Council and by the Commissioners of Upper Moreland Township.

IN WITNESS WHEREOF the Borough of Hatboro has hereunto affixed its corporate seal, duly attested, and the Township of Upper Moreland its corporate seal, likewise attested, this _____ day of _____ A. D. 1931.

And the President and Secretary be and are hereby authorized and empowered to execute the said agreement and deliver it to the said Township, taking from the Township a similar agreement executed on its part.

On motion of Smith, seconded by Suntheimer, the above resolution was adopted.

The Secretary was to be reminded to issue notices on property owners on Byberry Avenue between York Road and the Reading Railroad, with reference to curbs and sidewalks, notices to be given to Officer Kramer to serve to the owners by April 30, 1931, sixty days notice being required.

Walton & Felty were to be requested to replace the oil on Montgomery Avenue in accordance with agreement when the Borough placed stone on this street.

The Secretary was also authorized to notify the Philadelphia Rapid Transit Company to repair their Right-of-Way on York Road, Hatboro.

On motion meeting adjourned at 10 P. M.

Jesse O Binder

Secretary Pro Tem

Hatboro, Pa., May 4, 1931

A regular meeting of Borough Council was called to order by President Morris, at 8:10 P. M. Members present Morris, Krewson, Suntheimer, Llewellyn, Binder, Bussinger, Smith, Burgess Garner, Borough Officer Kramer, Borough Solicitor Duffy, Borough Engineer Muldrew, Borough Treasurer Watson and Street Commissioner Jackson. The minutes of the last regular meeting and special meetings having been sent to the various Councilmen were approved.

Burgess Garner informed Council that he and Mr. Duffy had been in touch with the Industries with reference to the funds being held toward the expense of the sewage disposal plant, and presented an agreement proposed by the Oscar Nebel Company, when on motion of Llewellyn seconded by Binder, it was decided that agreement submitted by the Industries as amended by Borough Council, be executed by the proper Borough Officers, and Borough seal attached thereto, provided Mr. Mebus advise that the disposal plant will most probably be finished by October 1, 1931.

Street Committee, Mr. Bussinger, reported that \$115.00 had been spent on the streets during the month, including a cost of \$38.00 for repairs to Byberry Avenue. The matter of repairing County Line was left in the hands of this Committee.

Mr. Muldrew informed Council that he had notified the companies and owners with reference to laterals on Jacksonville Road.

Light Committee, Mr. Smith, asked for an additional light on Pole No. 307 on Montgomery Avenue, West, near Abbotts Lane. This was left in the hands of his committee.

The matter of Sewer Clerk was discussed, and on motion of Llewellyn seconded by Binder it was decided to hold a special meeting to go over this matter in detail.

The Secretary reported having written the Philadelphia Rapid

Transit Company with reference to repairs along their tracks on the York Road.

Mr. Duffy reported that he had written the Philadelphia Electric Company and the Hatboro Water Company with reference to laterals, and that he had received no reply.

Mr. Leon Felty was present with reference to repairing Montgomery Avenue West of York Road, and agreed to furnish the oil providing the Borough would furnish chips.

The matter of permanently repairing Byberry Avenue was discussed at length and no motion was made changing the previous action of Council on the subject.

Mr. Duffy brought to Council's attention the recommendation of the Pennsylvania State Association of Boroughs, when, on motion, the following resolution was adopted:

R E S O L U T I O N

"RESOLVED: That in the opinion of Council of the Borough of Hatboro, the best interest of our community will be served by the passage of House Bills Nos. 1630, 1631 and 1632. Most of the measures contained in them have long been advocated by the Boroughs of the State. Senator Boyd's vote in favor of these bills is respectfully urged."

Mr. Duffy was requested to notify Senator Boyd.

The matter of tax rate for the Borough for the year 1931 was discussed and on motion of Llewellyn and Smith, Ordinance Number 140 providing for the levy of an annual Borough Tax at $12\frac{1}{2}$ mills for the year 1931, was passed, ordered printed in the Public Spirit one time and twelve posters to be distributed. Also Ordinance Number 141 providing for the levy of a special tax for fire purposes for the year 1931 of $\frac{1}{2}$ mill, was passed, ordered printed one time in the Public Spirit and twelve posters to be distributed.

Borough Treasurer Watson reported balance in the Treasury of \$6983.36 and balance in the Sewer Fund of \$34,360.00.

The Secretary reported having issued the following permits during the month, and proper remittances were turned over to the Borough Treasurer:

Permit No. 1225 - issued to Samuel C. Ridpath for removal and erection of garage, 40 Fairview Avenue, estimated cost \$450.00, Permit charge \$3.00.

Permit No. 1226 - issued to William R. Sipes, tearing down and removal of barn and house, Jacksonville Road, Permit charge \$3.00.

A special meeting of Borough Council was called to order by President Morris at 8:15 P. M. Members present were Morris, Krewson, Suntheimer, Bussinger, Llewellyn, Smith, and Binder, Borough Solicitor Duffy, Borough Engineer Muldrew, Borough Treasurer Watson, Street Commissioner Jackson, and Mr. Mebus of Albright & Mebus.

Mr. Mebus presented specifications and plan for the joint sewage disposal plant.

Mr. Suntheimer of the Property Committee was requested to attend to having mowing done around the monument.

The Secretary informed Council that notices had not been executed with reference to requiring property owners along Byberry Avenue to lay sidewalks and curbs. Dr. Carrell, a resident on Byberry Avenue, was present and expressed his views with reference to requiring property owners to spend money at this time. After some discussion on motion of Krewson seconded by Binder, it was decided to reconsider the previous action of Council to advertise the bids on Byberry Avenue, and requiring sidewalks, Krewson, Bussinger and Suntheimer voting to reconsider the matter, Llewellyn, Binder and Smith voting against it. The motion was decided by President Morris, who voted in favor of reconsidering. After a lengthy discussion motion was again made to permanently pave Byberry Avenue, and require property owners to lay sidewalks and curbs, Llewellyn, Binder and Smith voting in favor of the motion, and Bussinger against it, Krewson and Suntheimer not voting.

Mr. Morris asked to be excused and Mr. Llewellyn presided.

The matter of the appointment of a Sewer Clerk was discussed and the following compensation agreed upon: 1% on assessments, 3% on rentals, and 1% for permits for laterals; fee for inspection--2 inspections each for house and lateral--\$2.00. Messrs. Jackson and Watson were named tellers, when a secret ballot was held, Reuben Hockman receiving four

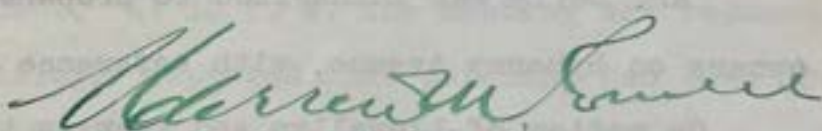

votes, Harry V. Yerkes one vote, and Edmund Mason one vote. After the election motion was made confirming the election, Krewson, Suntheimer and Bussinger voting Yes, Binder and Smith, No. Mr. Hockman was therefore declared the appointee to January, 1932.

Finance Committee - Mr. Llewellyn recommended that \$5000.00 be transferred from the Sewer Fund from the Hatboro Trust Company to the Hatboro National Bank, leaving a balance in the Trust Company of \$35,000.00. On motion same carried.

It was reported that two curbs on Jacksonville Road, one in front of the Kemp property and one in front of the Foy property were in bad condition. Mr. Duffy was requested to advise the owners to have them repaired.

Mr. Welsh, York Road and County Line, requested that a pole be removed. Mr. Duffy was asked to furnish his opinion regarding same. Mr. Welsh also wanted to pave between the present concrete roadway and his property at the same point. Council agreed to permit same under and subject to the approval of the Borough Engineer.

On motion meeting adjourned at 11:15 P. M.

A special meeting of Borough Council was called to order by President Morris at 8 P. M. Members present Morris, Krewson, Suntheimer, Bussinger, Binder, Borough Solicitor Duffy and Sewer Clerk Hockman, the purpose of the meeting being to consider the advisability of purchasing a tractor and road scraper.

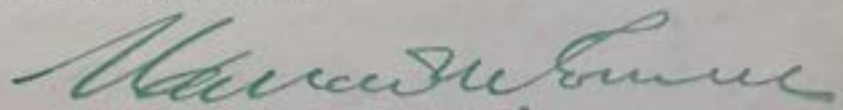

Mr. George Hobensack with Mr. Longland, of the Service Supply Corporation, of Philadelphia, were present, and explained in detail the advantages of the McCormick-Deering tractor with grader. The matter was discussed at length by Councilmen, and on motion of Krewson seconded by Binder, Mr. Duffy was requested to prepare necessary advertisement and specification for bids so that same can be opened at a special meeting of Council on July 16th.

Mr. Bussinger informed Council that Mr. Welsh had asked that repairs be made to the entrance of filling station at York Road and County Line. No action taken.

Dr. Homiller was present and impressed Council with the seriousness of the Borough being placed in a position with no place to dispose of garbage on account of the regulations of the State Health Board, Mr. Duffy agreed to consult with attorneys representing other municipalities and townships as to what action they are taking.

It was decided to hold a special meeting of Borough Council on Monday night, June 22, at 8 P. M. to consider ordinances pertaining to sewer matters, plumbing, laterals, etc.

On motion the meeting adjourned at 9:10 P. M.

Hatboro, Pa., July 6, 1931

A regular meeting of Borough Council was called to order by President Morris at 8:10 P. M. Members present Morris, Bussinger, Llewellyn, Smith, Suntheimer, Binder, Street Commissioner Jackson, Borough Solicitor Duffy, Borough Officer Kramer and Borough Engineer Muldrew.

Copies of the minutes of the last special and regular meetings having been sent to the Councilmen, were approved.

Mr. Adams of the Philadelphia Electric Company was present and discussed with Council the advisability of placing underground lighting system on the main street of Hatboro. This was not considered on account of the high cost. He then made other recommendations with reference to improved lighting system which would cost the Borough around \$700.00. This matter was left in the hands of the Light Committee for their recommendation, at a future meeting.

Messrs. Meredith and Shiles, York Road merchants, were present and presented a petition signed by a good number of other merchants of Hatboro, requesting that Council pass an ordinance making the license fee for outside vendors \$25.00 instead of \$5.00. The matter was discussed and Borough Solicitor Duffy was requested to prepare an ordinance for consideration at the next meeting of Council.

Mr. Welsh, a resident at York Road and County Line was present, and requested that the Borough put additional stone on County Line along his property. He stated that it was much lower than the filling station that he is constructing, and after discussion the Street Committee was given authority to attend to same.

Mr. Reeves was present to inform Council of the Fordson Tractor and the Wehr Grader. He agreed to give a demonstration on Wednesday night, the 8th instant, at 6:30 P. M.

STREET COMMITTEE - Mr. Bussinger reported that a number of the streets had been patched during the month.

Mr. Muldrew presented a bill of Paul W. Longsdorf, Inc., in the amount of \$17,087.94, less a payment of \$4629.00 paid on the first estimate leaving a balance due Mr. Longsdorf of \$12,458.94. He explained a number of extras that were included in this bill and recommended that the bill be paid.

On motion Council directed that a certified copy of the contract be forwarded to the County Commissioners, and also directed that they be furnished with a certificate from the Borough Engineer that the work had been completed in its full length and that it was satisfactory. They also passed the following resolution:

WHEREAS the work of paving the bed of Jacksonville Road between Montgomery Avenue and County Line in the Borough of Hatboro has been completed. And,

WHEREAS, William T. Muldrew, Borough Engineer, has certified that the work has been completed in complete accordance with the terms of a contract entered into between the Borough of Hatboro and Paul W. Longsdorf, Inc., the contractor,

NOW BE IT RESOLVED: That the work be accepted by the Borough and that the sum of Twelve Thousand four hundred fifty-eight dollars and ninety-four cents (\$12,458.94), the balance due the contractor on his contract, be paid.

(Signed) H. Chester Morris
Pres. of Council

July 6, 1931

(Signed) Warren M. Cornell
Secretary of Council

Mr. Morris informed Council that the Hatboro Water Company was desirous of laying water pipes on Lehman Avenue, and asked for a grade. Inasmuch as the street has not been accepted by the Borough and the cost of grade is considerable, it was decided not to do so at this time.

It was reported that new electric light had been installed at Abbotts Lane and Moreland Avenue.

Treasurer Watson gave the following report: Amount in the General Fund - \$1926.29, Sewer Fund - \$66,138.55.

Telephone fees paid by Officer Kramer, \$1.25.

On motion it was decided to advertise for bids for black top road, Byberry Avenue from York Road to the Railroad, so that same can be considered at the August meeting.

Secretary reported having received a copy of a letter from the District Engineer of the State Highway Department at Upper Darby, to the County Commissioners, advising that the contract of Paul W. Longsdorf, Inc. under County Aid Application, had been completed satisfactorily to the Department.

FINANCE COMMITTEE - Mr. Llewellyn gave a detailed statement as to the likely amount of funds we would receive from sewer rentals, etc., and suggested that the Borough create a Sinking Fund of \$5000.00 out of 1931 taxes, to be taken out the first week of October. On motion same carried.

It was decided to look up the matter of Treasurer's Bond.

The matter of whether or not to discontinue the Board of Health and have a Health Officer was discussed; also the matter of levying of assessments and rentals pertaining to the sewers. Mr. Duffy was requested to have ordinances prepared for our special meeting on July 16.

The Secretary read a letter from Edward V. Schiesser, Secretary of the Township of Upper Moreland, presenting three agreements with the Philadelphia Suburban Water Company, with reference to extension of mains to the site of the joint disposal plant at a cost of \$2000.00. These agreements having been approved by Borough Solicitor Duffy, were authorized to be executed by the proper borough officials, with the borough seal attached, and to be returned to Mr. Schiesser.

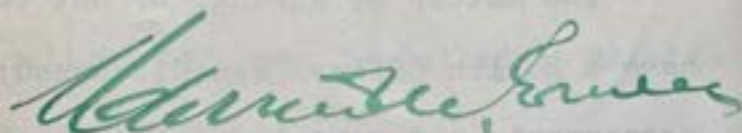

Letter was received from the Department of Health, Mr. J. R. Hoffert, Acting Secretary, with reference to the agreement between the Borough of Hatboro and Upper Moreland Township providing for the reception and disposal of the sewage of Hatboro by the Township of Upper Moreland. This letter was ordered filed.
